screen

The smart protection

Scegli, dividi, proteggi.

Screen è la soluzione di design **intelligente e funzionale** che garantisce protezione e privacy per ogni postazione panca.

Il kit è composto da una struttura tubolare in metallo con relativi accessori di montaggio, ed è disponibile in **3 differenti finiture**. Prevede inoltre un resistente pannello divisorio in plexiglass, disponibile **in versione trasparente o satinata**.

Screen è pensato per tutte le travi panca 80x40 mm: un pratico accessorio che garantisce **distanza, protezione e riservatezza** in ogni contesto.

Choose, divide, protect.

Screen is a **smart and functional** solution that provides protection and privacy for every single bench seat.

The kit is composed by a metal tubular structure, with all necessary accessories for the assembly and available in **3 different finishing**, combined with a resistant plexiglass screen that can be chosen in two different finishing: **transparent or opaque**.

Screen can be set up on all 80x40 mm beams: a practical bench accessory that guarantees **protection, safe distance** and **privacy**.

BEYOND

Innovation

Divisorio per panca con pannello
in **plexiglass trasparente**

*Bench divider with **transparent**
plexiglass panel*

Screen garantisce
protezione e privacy per
ogni postazione panca.

***Screen** provides
protection and privacy for
every bench seat.*
